IMPORTANT BILLING INFORMATION
FOR OUR CLIENTS:

- **If you are using insurance coverage to help cover your sessions, it is required that you provide complete and accurate insurance information on your intake form at your first appointment. If you don't have it available, you must call or email us with the information within 24 hours of your appointment. Otherwise, you will be considered self-pay and will be billed for services.**
- **It is the client's responsibility to verify their mental health benefits through their insurance prior to their appointment. If the insurance denies payment for any reason, the client will be responsible for the charges.**
- **Utah Psychological Associates partners with Kareo.com for all billing services. Communication about account status and payments owed will be sent through email, so please be sure to provide us with an accurate email address.**

If you have any concerns or questions about this information please call 801-209-6415 or email us at billing@utahpsychologicalassociates.com
